

# Philmont Scout Ranch Autumn Adventure

## 2017 REGISTRATION INFORMATION

### There the three programs offered through Autumn Adventure

- **Council/Group Trek Planning** - Cover pre-trek planning and training, visit areas of the ranch that you are interested in seeing on your summer trek. This is a great time for adults to learn about the skills required to bring a crew to Philmont. Additionally, you may have the opportunity to meet with some of the key Philmont leadership.
- **All-Adult Crews** - A great opportunity for team building and planning for your unit, district, or council. What better way to bring a group together than fly fishing on the Rayado River or enjoying the changing aspens?
- **Traditional Crews** - A great experience for Scouts during fall break. This experience is for crews of 7 to 12 members with youth giving leadership to the crew. You will have a chance to experience the outdoors at its best.
