## AUGUST 17- 23, 2025

**The Philmont Leadership Challenge isn't a training course; it's a journey of self-discovery and service.**

Imagine honing your leadership skills in the rugged beauty of Philmont Scout Ranch. This experiential learning adventure builds upon the foundation of Wood Badge, providing you with the opportunity to apply your knowledge in a dynamic outdoor setting.

You'll work alongside a team of like-minded individuals, collaborating to overcome real-world challenges in the backcountry. From navigating challenging terrain to fostering camaraderie among your peers, you'll develop the skills needed to lead with confidence and compassion.
