About Philmont

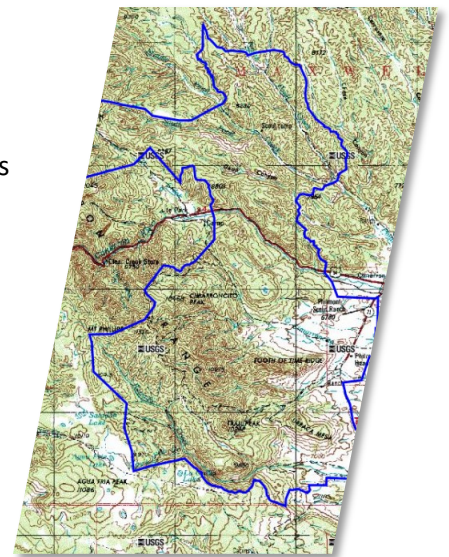

Philmont Scout Ranch spans across 140,171 acres of northeastern New Mexico. Most of that land is part of two gifts from Oklahoma oilman, Waite Phillips, who donated it "for the purpose of perpetuating faith, self-reliance, integrity, and freedom—principles used to build this great country by the American Pioneer."

Philmont's mountain terrain ranges in elevation from 6,621 feet at headquarters to 12,441 feet atop Baldy Mountain. Our abundant wildlife population includes deer, elk, mountain lion, bear, bobcat, buffalo (American bison), and antelope.

Since Waite Phillips's first property gift in 1938, over 1,000,000 Scouts and their leaders have participated in the challenge of the backpacking program offered at Philmont Scout Ranch. Staffed camps offer a variety of activities including horseback riding, burro packing, mountain biking, gold panning, rock climbing, forestry, riflery, archaeology, and much, much more—with an emphasis on environmental awareness.

Mr. Phillips held a deep respect for the American cowboy. As part of the gift, he asked that Philmont always remain a working cattle ranch. Philmont maintains cattle, pack burros, buffalo, and riding horses.

Serving as the **National Training Center for the Boy Scouts of America** since 1950, the Philmont Training Center offers a variety of week-long conferences for volunteers and professionals each summer. While a Scout leader is in conference, programs are planned for all members of the family – infant through adult. For the first time in 2018, a family-based adventure experience was hosted by the Philmont Training Center, Philmont Family Adventure. In addition to Family Adventure Camp, 2025 bring Unit Adventure Camp. A new way for units to come and experience Philmont.

Unit Adventure Camp

Unit Adventure Camp at Philmont Scout Ranch focuses on units experiencing exciting Philmont adventures as a troop or unit. Unit Adventure Camp is designed to build bonds and create memories through exciting and interactive programs. This program provides the opportunity for scouting units to come to Philmont and experience Training Center programs while also getting a peek at what the trekking programs participate in.

Unit Adventure Camp is available in different sessions. Your unit can select one of those sessions to participate in. Sessions and other registration information can be located on the Training Center website under Unit Adventure Camp.

Unit Adventure Camp is open to all registered Scouting America members and units. This program is designed for scouting units to come and experience Philmont in another way besides a trek. Unit Adventure Camp is for ages 11 and up who have already been on a troop outing. This should not be their first campout.

Program Description

This program is an opportunity to experience Philmont as a full Scouting Unit. Family members are welcome to join the unit but not required. Activities include hikes in the backcountry, high ropes and climbing tower, range and target activities, flyfishing, Craft Center, museum tours, and so much more. Each day includes team building activities that help develop stronger units. This program includes an overnight experience in the backcountry with an evening backcountry campfire show.

Participants will stay in tent housing at the Philmont Training Center and enjoy meals in the dining hall. Each night, scouts will be able to participate in evening programs at PTC including the world-famous Cobbler Night. Each day begins and ends with a flag ceremony, and chapel services are held throughout the week.

Who is Unit Adventure Camp for?

Unit Adventure Camp is for any scouting unit that would like to have a Philmont adventure that is not the traditional Philmont Trek experience. This program is a great introduction to different activities and programs Philmont has to offer. Unit Adventure Camp is an excellent way to get 11-13-year-old scouts to Philmont to experience and preview what Philmont has to offer for future High Adventure program opportunities.

Philmont Staff

Philmont has a permanent staff of 86 employees plus more than 1,100 summer seasonal staff members. Over 50 staff members are assigned to the Philmont Training Center. Meals and Housing

Food Service

- **Meals in the Dining Hall**

Meals are served cafeteria style in either one or two shifts in the Dining Hall . Your assigned shift will be determined prior to arrival. Your cooperation in observing these assignments is greatly appreciated. Doing so avoids long lines and ensures table space for all guests.

Guests will line up outside the Dining Hall Veranda, wash their hands, and then enter. Early-arrivals will be led by the staff in reciting the Philmont Grace. Menus vary, but there is always a salad/fruit bar, cereal with milk, peanut butter and jelly Bar, a hot bar that has leftovers, and soup.

- **Meals on the Trail**

Philmont has a variety of breakfast, lunch, and dinner trail meals that are provided for many programs around the ranch. Trail meal menus can be viewed [here](#).

As part of the registration process, you should have indicated if a member of your group has special dietary requirements. If you missed this, please let Philmont know in advance by emailing Philmont.TrainingCenter@scouting.org. Philmont's isolated location limits the availability of many specialized food items and these items may need to be brought from home. **Philmont's food service staff will make every effort to meet your needs but may not be able to accommodate persons following strict diets for religious or medical reasons. Philmont does not serve Vegan.**

Terrace Canvas Tents

The housing provided with the Unit Adventure Camp program is our terrace canvas tents.

Your 10' x 12' canvas wall tent is on a wood or concrete platform and contains two metal-spring twin beds with mattresses, chairs, a metal locker (bring your own lock), an electric outlet, and a light.

Irons, ironing boards, fans, clothing hangers, extra blankets, and other services are available for your use at no charge in the East Tent City hospitality office. Games, evening activities, cobbler nights, patch trading sessions, and other activities will be organized by the Tent City staff or your fellow Tent City residents.

In our tent cities there are shower houses available to our guests. Tents are a short walk to the shower house, where individual locking units contain a shower, sink, and toilet.

Each unit coming to Unit Adventure Camp will be given a block of tents for your stay. Unit adults will be responsible for assigning tents to youth and making sure YPT tenting requirements are being fulfilled.

Shuttle to Cimarron

During the Summer season Philmont operates a shuttle to Cimarron so units can enjoy the local restaurants and business the town has to offer. There is a great deal of rich history in the Village of Cimarron to be explored.

The PTC Experience

What To Bring

Living at Philmont for a week is an exciting outdoor adventure for everyone! In choosing clothing and equipment, please keep in mind Philmont's elevation (6,600 ft.). Traditional summer weather consists of warm days (70°s to high 80°s), cool nights (30°s to low 50°s), and rainy afternoons.

For Terrace Tents Residents: You may want to bring a rug, extra hangers, multi-outlet plug, small fan, and a lock for the locker.

Here are some helpful tips:

- Philmont does NOT provide bed linens, blankets, or towels for UAC as you will need a sleeping bag for your overnight. Although we don't provide linens our East Tent City Manager has a limited supply of emergency blankets if the temperature suddenly drops and/or a fan for super hot days.
- Our Western Night is a dinner and dancing event, so don't forget your western duds! We will also be branding with our Philmont brands for souvenirs.
- Close toes shoes are required for anyone participating in a hike or using our climbing wall and challenge course.
- Even though we are a Scout camp, we do not recommend leaving items of value unattended in tents or roofed housing. Secure storage is available for small items at the customer service office. Proper identification should be placed on all clothing and equipment. Bring a lock for your tent locker.

Health and Safety

Medical Care and Emergency Procedures

Philmont has a comprehensive infirmary to support the nearly 30,000 participants who visit each summer. This staff is ready to help you and your family with any medical needs that may arise. PTC also has a medic on-duty all week. Should you or your family need assistance, contact the Training Center medical officer. If necessary, he or she can facilitate a visit to the Infirmary. In addition, all Philmont staff go through extensive training and are equipped to assist in any emergency.

Keep in mind that PTC is at 6,600 feet elevation. Individuals coming from lower altitudes may experience some discomfort at first. Humidity is low, so visitors should drink plenty of water to avoid dehydration (10-14 glasses a day). Persons who are overweight, out of shape, or who have health concerns should consult a physician before coming to Philmont.

**In the Case of an
Emergency**

**Please alert the
nearest Philmont
staff member, PTC
Medical Officer,
the Philmont
Infirmary, or dial
911.**

Accessibility

The Training Center dining halls and classrooms are wheelchair accessible. Guests may choose wheelchair-accessible tent platforms as part of the housing registration. Due to limited resources, you must provide your own wheelchair. Unfortunately, wheelchair transportation is not available. Other than motorized wheelchairs, other motorized carts are prohibited. PTC has accessible bathroom chairs and shower chairs available for check-out.

Health Forms

To provide a safe experience at Philmont Scout Ranch, all participants are required to fill out and bring a completed BSA Annual Health and Medical Record with an attached photocopy of your insurance card:

Parts A, B, and C are required for the Unit Adventure Camp

The BSA Annual Health & Medical Record is available on the Philmont Scout Ranch website.

Please do not email or mail your health forms in advance of your arrival.

As part of the check-in process, all forms will be reviewed by the on-duty Health Officer and will be kept on file at the Philmont Training Center Medical Office until the end of the week, when they will be returned.

**Bring any
necessary
medication (such
as asthma
inhalers, Epi
Pens, or other
needs) as these
items may not be
locally available.**

**Under no circumstance will
any individual over 300 lbs.
be allowed to participate in
backcountry programs,
regardless of height or age.**

**This limit is necessary due to
limitations of rescue
equipment and for the safety
of Philmont personnel.**

Philmont Weight Limits for Backcountry Participation

Those who fall within the limits are more likely to have an enjoyable experience and avoid incurring health risks. The Philmont staff will use their best professional judgment in determining participation in a Philmont backcountry experience for individuals who exceed the maximum acceptable weight for height. Any exception to the weight limit requires approval from Philmont in advance.

Things to Know

Bus Transportation

Philmont buses transport guests and families to backcountry hike turnarounds, Rocky Mountain Scout Camp, High Ropes and Climbing Tower, Fly Fishing reservoirs, museums such as Chase and Rayado, and there is a bus that takes guests to Cimarron each day departing Camping Headquarters. PTC buses depart and return to the PTC parking lot.

Branding

A hallmark of the ranch is the ability to place Philmont brands on personal items such as hats, boots, water bottles, leather belts, etc. PTC brands items during the Western BBQ. Daily branding is available at the Tooth of Time Traders. Branding is free, so bring your own items or purchase items at our craft center and at the Tooth of Time Traders.

Buffalo and other Wildlife

Philmont's buffalo pasture is located west of Highway 21 as you drive north toward Cimarron. The herd is maintained in three pastures and you may see them if you drive two miles west of the Administration complex. Photos are welcome, but please **do not** cross fences and pull fully off the road when stopping. Buffalo are wild animals and unpredictable.

Philmont is inhabited by a wide variety of wild animals, including deer, turkey, skunks, raccoons, and black bears. During your stay at the Training Center, there are many opportunities to see wildlife; however, please keep your distance and respect their habitat. In addition, please refrain from leaving scented items (food, toiletries, etc.) out in the open. PTC tents contain storage lockers for smellable items. Bring your own lock.

Firearms, Alcoholic Beverages, and Smoking

Philmont does not permit the possession of personal firearms while on the property. Possession or consumption of alcoholic beverages is also not permitted on Philmont property. As a facility of the Boy Scouts of America, all buildings and tents at Philmont are smoke-free. Designated smoking areas are the Curtis Pavilion and your own vehicle.

Internet Access and Telephone Service

Philmont has a free wireless internet network. Due to the large number of users, the speeds may not be what you are used to at home. All conference buildings have Wi-Fi coverage.

Cell coverage is limited. AT&T service is strongest. Other carriers may have weaker signals.

Mail

While at Philmont, your mailing address is:

Your Name
Unit Adventure Camp and Date Attending
Philmont Training Center
17 Deer Run Road
Cimarron, NM 87714

Outgoing mail is picked up around 10:00am from the mailbox outside the PTC office, Monday through Saturday. Incoming mail is delivered to your family via Philmont Staff. Postcards can be purchased at the Tooth of Time Traders and stamps are for sale at the PTC Office. Parcels should be shipped via U.S. Mail, Federal Express, or UPS. Other services do not deliver to Philmont. **Do not rely on "next day" service, please make sure to allow at least one week for deliveries.**

Things to Know

Lost and Found

There are several locations for lost and found items. The first place to check is the PTC office, then the Quartermaster office. The Dining Hall will also have a crate of lost and found items just before you enter the serving line.

Nametags

All guests are to wear their nametags at all times. Nametags provide access to the dining hall and is proof you have gone through security and medical recheck.

Pets

Pets, other than those required for assistance (such as seeing-eye dogs), are not allowed at Philmont. The Raton Animal Hospital (575-445-2691) can board pets at a standard daily rate. You must place your pet in a boarding kennel before your arrival at the Training Center.

Philmont Photos

A Philmont staffer will take group photos on the Villa Lawn. Please check the weekly schedule for photo times.

All photos will be made available for download after your week has concluded. You will receive a QR code for a free download in your departure packet.

Tooth of Time Hike

This iconic Philmont landmark hike has limited space and is only available for all-day hikes on Wednesday, Thursday and Friday. This is a very strenuous 5.25 mile roundtrip, staff led hike due to significant elevation change over a short distance, a peak over 9,000 feet, rock scrambles needing both hand and foot support, and rough terrain. Participants should expect hot weather, and minimal shade. This hike is not available during Spring and Winter months due to hazardous weather.

Uniforms

Philmont is the National Training Center of the Boy Scouts of America. As a representative of your council, district, or unit, we encourage you to wear a complete BSA uniform to flag ceremonies and to dinner. Kilts are prohibited as part of the BSA official uniform.

In addition, youth who are involved in Cub Scouts, Scouts BSA, Venturing, or Girl Scouts are also encouraged to wear their Scout uniforms during these times.

Water Bottle Filling Stations

Filling stations are located around the property in addition to restrooms. Please use a cup to fill bottles at the dining hall beverage dispensers. Also, a water filling station is located in Dining Hall 2 next to the main restrooms.

Spare Time

While your conference schedule is busy, you'll have a fair amount of free time to explore Philmont and there are many exciting activities and places to see. In addition to visiting the Villa and the other museums, a visit to Camping Headquarters allows a glimpse into Philmont's trekking operation.

Jogging Trails

Enjoy base camp with a morning run. For the safety of runners and vehicle traffic, please wear a safety vest, do not run on roads, or block all noise. There are jogging trails along Highway 21 from cattle headquarters to Cimarron.

Hiking

There are several approved day hikes you can take during your free time. All are fairly easy and give you a small taste of the New Mexico landscape. You must check out and back in with the customer service office.

Philmont Country

Philmont Scout Ranch spans 140,171 acres of mountainous territory in the Sangre de Cristo (Blood of Christ) mountain range—a section of the Rocky Mountains located in northeast New Mexico. Elevations at Philmont range from 6,500' to 12,441' and the land varies from heavily forested mountains to semi-arid plains.

Philmont History

Carlos Beaubien

Once inhabited by Jicarilla Apache and Mouache Ute Indians, Philmont was the site of one of the first pioneer settlements in northeastern New Mexico. The present ranch is part of the original Beaubien and Miranda Land Grant, which was granted to Carlos Beaubien and Guadalupe Miranda by the Mexican government in 1841. Beaubien's son-in-law, mountain man Lucien Maxwell, led the first settlers to the grant in 1848. With help of his friend, Kit Carson, Maxwell's settlement on the Rayado River prospered, despite frequent Indian raids and harsh wilderness conditions.

Maxwell moved his ranch north to the Cimarron River in 1857, the site of the present-day Cimarron. It became a famous stop on the Santa Fe Trail, bringing American trade goods into New Mexico. Ten years after Maxwell moved to the Cimarron, gold was discovered on his ranch near Baldy Mountain. For years afterward, the mountains and streams of Maxwell's

Ranch swarmed with prospectors and miners.

In 1870, Maxwell sold his ranch to an English land company known as the Maxwell Land Grant and Railroad Company. After several years, the land was again sold to a Dutch-based company who attempted several development schemes, but eventually sold the land in tracts for farms and ranches.

Oklahoma oilman Waite Phillips became interested in developing a ranch out of the old land grant in 1922. He eventually amassed over 300,000 acres of mountains and plains in a ranch he named Philmont (derived from his name and the Spanish word for mountain, "monte").

The Philmont Ranch became a showcase. Immense herds of Hereford cows and Corriedale sheep grazed its pastures. Phillips built a large Spanish Mediterranean summer home for his family at the Headquarters, naming it the Villa Philmonte. He developed horse and hiking trails throughout the scenic backcountry along with elaborate fishing and hunting cabins for his family and friends.

Waite Phillips believed in sharing his wealth with people outside of his family. In this spirit, he offered 35,857 acres of his ranch to the Boy Scouts of America in 1938 to serve as a National wilderness camping area. The reservation was named Philturn Rocky Mountain Scout Camp (after Phillips's name and the BSA slogan, Do a Good Turn Daily). After observing the enthusiastic response of the first Philturn Campers, Phillips augmented his original gift in 1941 with an addition including his best camping land, the Villa Philmonte, and the Headquarters farming and ranching operation. The second gift was made so that many, rather than few, could enjoy his rich and beautiful land. The property, now totaling 127,395 acres, was renamed Philmont Scout Ranch.

Phillips realized that the cost for maintenance and development of the property could not and should not be derived entirely from camper fees. As an endowment he included in the gift his 23-story Philtower Building in Tulsa, Oklahoma.

In 1963, through the generosity of Norton Clapp, vice president of the National Council of the Boy Scouts of America, another piece of the Maxwell Land Grant was purchased and added to Philmont. This was the Baldy Mountain mining area consisting of 10,098 acres. The gift of Baldy Mountain brought the total acreage to 137,493.

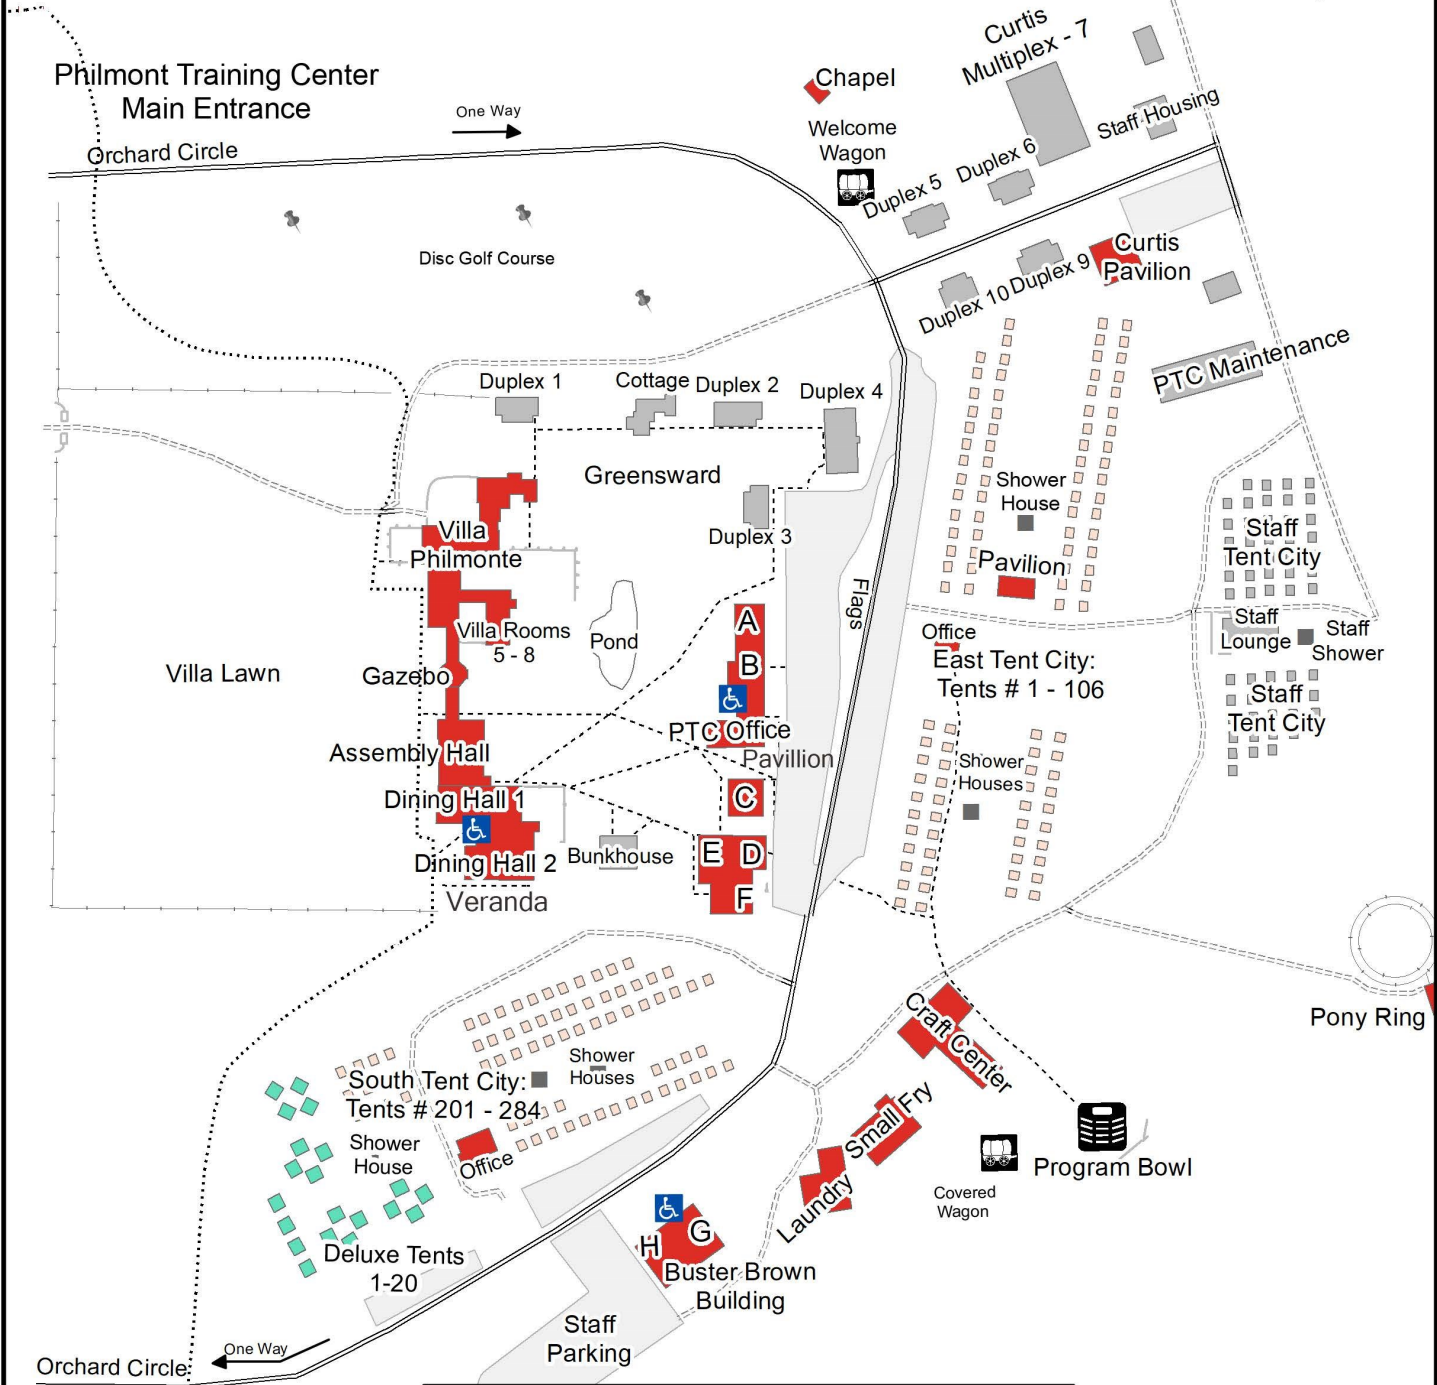

In 2015, The National Council of the Boy Scouts of America acquired the 2,678-acre Cimarroncita Ranch which is located adjacent to Philmont near Ute Park. The property will serve both campers and the Philmont Training Center in the future. Philmont is the largest youth camp in the world now totaling 140,171 acres or approximately 220 square miles.
